

ALL ABOUT THE BIG WORLD WE REALLY LIVE IN

Think about it..... is it possible to pick who farted at a poker tournament?

## CAUTION AHEAD

*LOTS OF BIG NEWS IN THIS EDITION!!*

Before you start reading, grab a drink and find a quiet spot because we are so full of it today.  
(And, yes, that did sound much better in my mind ...)

So, onwards and upwards we go.....

Textstyle Australia have released a festive new fabric range, Australian made with a celebration of colours... the brand spanking new **GALA!**

Check out the 'Boardwalk' for warm greys or go for a 'Splash' with a muted blue. Go green with envy with 'Apple' or turn up the heat with 'Chilli'... the list goes on...

Sorry for the cheesy comments, even I'm making myself feel sick... *but then again, I am lactose intolerant*

*The price you ask?!?!*

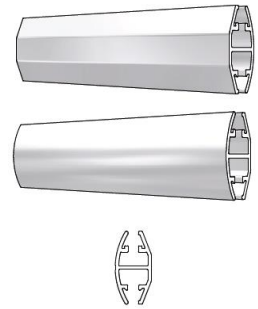

**Group 2... nice.....**

# LOUVOLITE

Add a bit of finesse to your blinds with the new Gemini bottom rails - two choices in the one bar. On one side, a smooth elliptical look, on the other side is the classic bevelled look. And the standard colours are ... White, Black, Anthracite Grey and Satin Silver (*Bronze and Chrome are available - POA*).

ALSO, we have a limited amount of Louvolite swatch books available for purchase – call us for details.

**\*\*\*PRE-WARNING TO ALL**

**WATCH THIS SPACE FOR THE NEW LOUVOLITE VISION BLIND FABRIC RANGE**

Attention all readers.... ALL, I repeat, **ALL** Uniline fabric prices have gone under the knife! For a glorious morning, try the Dawn at Roller Group 1 pricing or the Super Special (priced) Sunset for those who enjoy the evening tipple.

**Have a guess what's back?!**

The New and Improved Palm Beach is back and better than ever!! Not only has the quality improved, most importantly, as of the 23<sup>rd</sup> October 2019, the price groupings have slipped to a new low!!

**Group 1** for light-filter AND **Group 2** for block-out!!!

*Now drop that into the pool and see if it floats...*

Now for the extra exciting news.....

The Complete Blinds Company is now a

**vertilux®** *Authorised Wholesale Distributor!*

What this means for you is the real deal Timber venetians, SheerScreen® blinds, OneBlind systems, etc... we now live by our name and can offer you a *completeblindco* range of internal blinds!!

Keep reading for examples of new offerings....

### OneBlind

The Vertilux OneBlind system offers a clear advantage to the standard option of multiple blinds being capable of spanning up to 12 metres with no fabric splits. Equipped with the ability to control an enormous amount of light & temperature simultaneously is advantageous for optimizing glare and thermal protection. In addition, OneBlind can be easily integrated with building automation systems including lighting, climate control and audio-visual systems for the ultimate in convenience and energy control.

### SheerScreen

Adjust the solid vertical blades of SheerScreen® to a fully opened position thus allowing the ability to see through the sheer voile fabric that is attached to the vertical blades. Or adjust to a position suitable for the desired light control until the solid blades are closed giving full privacy. Thereby allowing for a full range of light control options.

### Cedarline

This Vertilux Venetian Blind System is a classic blind choice made from the highest quality genuine natural cedar. Available in 46mm, 60mm and 84mm width slats in either natural, oil or lacquer finishes, they complement contemporary as well as period and heritage homes, adding warm, natural texture to any interior space. Easy to operate and offer total light control along with clean lines. The unobtrusive ladder tape enhances the overall effect.

As usual, for any queries on Vertilux products, please contact our man,

Stuart!
