

ALL ABOUT THE BUSY WORLD WE HAVE BEEN LIVING IN LATELY...

A RIDDLE FOR YOU TO START THIS NEWSLETTER...

What do you call a person who is happy on a Monday???

(PS We will accept two answers to this) "Retired" and "Jenny"

Yes, you read that right. The pin in our lynch, the driver in our backseat, the crunchy peanut in our butter, also known as Jenny Verrall, is moving on to the next phase of her life.....

she will now be unpaid for long working hours at home.

Sadly, her last working day here at CBC will be Thursday, 12 July 2018!

We want to publicly name and shame Jenny for her loyalty, hard work and friendship, not just with us but with all our customers. As most of you already know, she is the loveliest, most caring person anyone can meet and we are honoured to have worked with her.

We will miss you Jen and wish you the best ever life for you and your family!!!!!!!

Hint: Jenny is the short person in a red and black outfit (just to be clear, the one without the dummy.)

Now for the Heads up News.....

As you may already be aware, it is that time of year where some of our suppliers are issuing new price increases for manufacturing materials
(cue stage right: head-banging, crying...aaannd ACTION!!)
But please don't fret, we are going to be absorbing these increases for the near future, unless of course there is a drastic increase in costs that involves us having to change our underclothes.....

Kate on a good day!

Onto to the regular stuff...

SUPPLIER NEWS
