

## ROLLER BLIND INFORMATION SHEET

### Control Systems:

Manual : Chain Drive / Standard Spring Operation / Light Lift

Motorisation: Acmeda, Somfy, Hunter Douglas, Louvolite – \$ refer to the Motorisation Sheet

### Warranty:

Rollers and screens have a 5-year product guarantee – refer to product guarantee information. Please note that touching edges of cut fabric can cause fraying, if this occurs you will not be covered under warranty. 3000mm x 3500mm blinds can be manufactured but will not be covered under warranty.

### Fixing and Allowances:

Face fix	No allowances
Recess	5mm deducted of width and 10mm deducted off drop
Corner 90°	Width – 75mm (approx. only, will vary depending on fabric used)

### Sizes:

Minimum width:	500mm guaranteed (varies with certain fabrics)
Maximum width:	Depends on fabric width – NB: Joins may be required with fabrics that are of small widths
