

Push15 Remote

The cutting-edge design of the new Automate Push15 remote control is modern, simple and functional.

DISTINCT DESIGN

Slim, luxurious and distinct design, built to perfectly suit any modern interior.

TACTILE BUTTON

Intuitively positioned physical buttons allowing easy access to channel and group selection.

GROUP CHANNEL FUNCTION

Controls 15 individual shades on separate channels as well as 5 dedicated grouped channels.

LEVELLING CONTROL

With a simple double tap to activate, you can move individual or groups shades to desired position.

DURABLE BUILD

Advanced metal backing allowing easy access to buttons without removing a cover.

LCD SCREEN

A large screen size displaying channel & group selections for quick and easy reference.

7 YEAR WARRANTY

ARC™ (Automate Radio Communication) is Rollease Acmeda's proprietary technology utilising 433MHz radio communication with bi-directional feedback that brings Automate motorised shading systems together.
