

A QUICK NEW NEWSWORTHY NEWS

Something to ponder ....

Were Adam and Eve the first ever people to not agree with the Apple terms and conditions?

Let's get the show on the road 😊

## LOUVOLITE

Don't forget this one, this is no time for regrets!!

### 2022 New Collection Preview Roadshow

Where: Sfera's Park Suites and Convention Centre  
191 Reservoir Road, Modbury 5092

Date: 9<sup>th</sup> & 10<sup>th</sup> August 2022

The new Louvolite fabric collection is just getting bigger and better each time!

- ✚ Seriously bigger.... 31 out of 48 fabrics that are now **3 metres** wide bigger!
- ✚ A huge range of vertical fabrics! (a whopping **40** different fabrics to be sure...)
- ✚ New roller ranges like the Swedish Birch LF or..... the Ophelia Block-out? (*don't even go there*)

And for those fussy little diners, new Dinosaur and Planetarium Block-out fabrics!!

Why can't you hear a **pterodactyl** go to the bathroom??? Because the 'P' is silent.... just love toilet humour...

- ✚ And some of the favourite current ranges are still here but with *new* colours!!!
- ✚ Don't forget the new 2022 2023 Roller (\$229.24 inc GST) and Vertical (100.22 inc GST) fabric swatch books – available to order now (contact us) or see the Louvolite team at the show!

Louvolite have absolutely everyone covered in this exciting collection and on show.

**Be there or be really really annoyed that you missed it...**

Kenzo : MIDNIGHT

Swedish Birch : SILVER BATH

Argent : COPPER

## *Something new to look at.....*

WATCH THIS SPACE... NEWS COMING SOON....  
*Because it is exciting and not just because I wanted to fill up the page....*

Some new Aussie made fabrics  
coming soon....

## *Something new to replace something old.....*

**ZeroGravity** is the new Light Lift in 2022. Due to some quality issues, we have replaced the Lift Light roller blind product with the ZeroGravity system. And we have managed to keep the same price so you will get a better product at no extra \$ !!!

*The ZeroGravity cordless shade solution is the only cordless shade system that can make balanced roller shades from 300mm to 3600mm wide that are operated effortlessly from the base rail. With ZeroGravity you can have peace of mind!*

**For more information check out**

## *Something new to add to something current..*

**Acmeda's new fabric covered base rail** is the new addition to the bottom rail family.

A weighty bar for those blinds that like a little booty to match,  
it is a worthy companion to the Louvolite Fabric Wrap base rail.

This one is slightly bigger, slightly meatier but at the same price ....

*Check out that smooth bottom!! .... the photo is down here people.... look at the photo....*

Unless someone can come up with a shorter name than Acmeda Fabric Covered Base Rail,  
I hereby christen this product... **“Don” (Short for “Don Juan”)**  
(Why? Because it does it's best work under the covers )

## *Something BLUE to finish off the news....*

We here at CBC will be closed on Thursday 18<sup>th</sup> and Friday 19<sup>th</sup> August for a damn stocktake AND the production area will also be hosed down and hoisted up for an overdue service.

Yep. It makes us very sad.  
(Kate is estatic about it though)

## *Last bit....*

*An updated Fabric listing will be available next week (from 15<sup>th</sup> August) with lots of additions, some discontinuations, and a new supplier.... whoo-hoo!!*

*As always, the CBC team are always available for any non-work-related questions!*

*But we are also happy for you to chat to us for work related stuff as well.*

*Talk real soon!  
Don't forget the Louvolite Roadshow!!  
Ciao from all the team at CBC xx*

*Last night I lay in bed looking up at the stars in the sky and I thought to myself, "Where the heck is the ceiling?!"*
